

EDUCATION/TV Committee

****Don't forget to fill out our Attached Survey.****

(The answers will be used for our own Family Feud Game)

Education/TV Photo of the Week

Thank you for joining our November 18, 2018 Educational Meeting. Be sure to come to the next meeting on December 2, 2018 where we will choosing our President, Vice President and Secretary for the Educational/TV Committee. The EDUCATION/TV COMMITTEE continually **CELEBRATE "U" IN COMMUNITY** and thus welcome our residents to get involved with our Committees to share opinions, concerns and knowledge. After all, without **U** there is no **US**, and without **US**, there is no **UNITY** in the community. So, please, come out, join a Committee and have F-U-N with us to make your community one of the best around.

Committees to join are: (pick 1, 2 or 3) ARTS & CULTURE, COMMUNITY SERVICE (Monthly Birthday Parties), EDUCATION CLASSES, SCHOOL CAMPS & CLASSES, SCHOOL EVENTS & PROGRAMS, TOWN EVENTS (Parade, XMAS, Holidays, etc.), TV, PHOTO, MODELING & VIDEO (learn how to be a host, make a movie or show your talent).

TV, PHOTO, MODELING & VIDEO

We hope you take the time to join us at the next event or committee meeting. If you don't have time join a committee, you can become a *BLOCK Captain* (see Councilwoman Ford, Communications Committee for more information). Becoming a *BLOCK Captain* shows that you care about your community and that you want the best for it, the residents and the Town. Why is that important? Because... WE need YOU to continue on the journey of building a Successful Town!

Why Do We have Town Committees?

Our Committees are set up so that you, the community, can partake in our community activities, knowledge and overall success of the Town. There are several Committees that you can join. 1) Education/TV Committee; 2) Communication & Outreach; 3) Community, Health & Environment; 4) Ethics & Legislation; 5) Neighborhood Services & Safety; 6) Parks & Recreation; and 7) Planning & Economic Development. Below are photos from several of the committees resulting from meetings, events, classes, community gatherings, etc.

Education

Education is the foundation from which we build our future. It is most important in life because it gives people the skills and tools they need to navigate the world. Education also teaches people about the world in which they live, including information about history, philosophy and culture.

We have joined Education with TV to create a new way of innovational learning, understanding and educating while viewing from the comfort of your home. However, we need YOU, your voice, and your being to partake in this adventure. Together, you and I can continue to create success in the Town and become a special part of your Town's history. Sign up today with the Education/TV Committee, *Councilwoman Brown..*

Communication

Councilwoman Ford, Chair of the Communication Committee wants to improve the communication and dissemination of information processes within the Town. The Communication Group request that if you would like to be a *Block Captain*, one who cares about the Community, please contact Councilwoman Ford to learn more about the program. We seek to always ensure our residents are engaged and aware of resources and services.

Please, join the Communications Group today. We NEED your Voice!

CHEC PARTICIPATION

Headed by Councilwoman Williams, the Community Health & Environment Committee (CHEC) engage residents on matters concerning our community, our health and our environment.

Some of CHEC activities include Yoga and weekend walks. In addition, CHEC in conjunction with Feeding 5000, maintained a successful summer Apprenticeship Program involving TOCH youth. The program was so successful that we are looking forward to future Apprenticeship Programs! If you are interested in future programs, contact Councilwoman Williams.

Parks & Recreation

THANKSGIVING GIVE-A-WAY

Councilwoman Latonya Chew, Chair of Parks and Recreation Committee. The mission of the Town of Capitol Heights Park and Recreation Committee (PRC) is to create fun and diverse recreational activities that promote the social, cultural and physical well-being of the residents. The PRC activities engages residents of all ages.

Planning & Economic Development

Residents, I am thrilled to let you know that this administration is working together perfectly. Together, we have been busy making Capitol Heights a place in which we all can be proud. We are working hard to bring you useful and relevant developments such as housing, shops and event entertainment. We are continuing to develop our Town's committees and welcome your involvement. We are providing Town activities keeping the community active and engaged. If you haven't joined us for our Town Hall Meetings, please do so. We meet every Monday at 7 p.m.

Mayor Shawn Maldon

PEDC Photo of the Week

The Planning & Economic Development Committee (PEDC) is Chaired by the Mayor of the Town of Capitol Heights, *Mayor Shawn Maldon*. PEDC provides an opportunity for engaged residents to have input in the direction and growth of town's business district, to support small businesses within the town, and to foster a strong, talented, and educated business community and workforce.

*Please Come Out And Join Our Meetings And Activities.
WE WOULD LOVE TO SEE YOU!*

Involvement

Ethics & Legislation

Councilwoman Renita Cason is Chair of the Legislative and Ethics Committee. The Committee is to address issues and concerns that will enhance the quality of life of residents of all generations (past and future).

Neighborhood Services & Safety

Chaired by Councilwoman Rhonda Akers, the mission of the Town of Capitol Heights' Neighborhood Services and Safety Committee (NSSC) is to help build a vibrant, safe and a well-kept neighborhood. The NSSC, with engaged citizens, will work to solve issues and to make our community great. The goal of the NSSC is to sponsor and develop programs that seeks to prevent crime and make this community the best place to live, work and play!

Our Own Family Fued Game

Come out and celebrate our Resident Monthly Birthday Parties. It doesn't matter if it's your birthday or if it's someone else birthday, we celebrate EVERYONE! We play games such as Charade and Family Fued, thanks to our very own Dennis Williams (*aka our Steve Dennis Harvey*) who has made our TOCH Family Fued Game a cherished criterion for our Birthday Parties.

Be sure to add your birthday to our list TODAY and get your FREE Birthday Gift when you come. You're won't want to miss the next birthday party on January 13, 2018 at 5:30pm in Town Hall Bldg. If you miss it, you'll miss all the F-U-N!

Mayor and Council Meetings

Be sure to come out to the Mayor and Council Meetings. You'll have the opportunity to voice your opinion of what's happening in your town (the good and your concerns.)

We would love to have to come out to be a part of the meetings. Participate in the making of a better town. After all, it's your Town and it takes a village to make it successful.

TV, Photo, Modeling & Video Committee

Along with all the great committees under Education, another is the **TV, Photo, Modeling & Video Committee**. We are creating a new relevance of introducing to you people in your own community that make a difference. You can learn to be a Host, Photographer and also basic Modeling and Video editing.

This Committee allows all generations to be able to partake in TV produced educational programs discovering old & new historical town facts,

Community Leaders and Town locals. You'll be able to learn to be a TV Hosts creating local celebrities and bonding with fun, historical facts and educational reenactments **through movement, speech & acting presentations** and good ole' F-U-N at Town events.

Photography

Join the Educational Committee Photography Group and help us show what's going on in your town. ***Did you come out to the London Woods Community Association TREE CUTTING CERMONY?*** The ribbon cutting ceremony was held on Denise Drive and Bannister Way and celebrated the reconstructed tennis and basketball courts in London Woods. Also, residents were provided free cholesterol and blood pressure screening certificates, food and gift cards. An amazing event! We hope to see **YOU** at the next event.

TREE CUTTING CERMONY

The Maryland Black Mayor's Annual Scholarship Gala

The 2018 MD Black Mayor's Annual Scholarship Gala, held in Greenbelt, MD, honored several Prince George County students with Scholarships.

The Town of Capitol Heights Annual Prayer Breakfast

The theme was A Community Rising to New Heights of Service and was hosted by Venus Drummond of the NSD Department. The program was held at the Way of The Cross Church of Christ.

Veteran's Day Ceremony

Chief Cummings of The Capitol Heights Police Department hosted The Annual Veteran's Day Ceremony on November 10, 2018 at the Capitol Heights Fire Department. The Ceremony received high praise and was led by Keynote Speaker, Brigadier General Aaron R. Dean II. General Dean stated that when encountering a Veteran or someone else in uniform such as a Police Officer or Fireman, be sure you tell how much you appreciate their service. They can never hear that phrase too much! All those in uniform, WE TRULY APPRECIATE YOUR SERVICE!

FEEDING 5000 – 2018 Summer Apprenticeship Program

The Feeding 5000 Summer Apprenticeship Program was an 8-week hands-on program designed to teach youth basic Urban Farming Skills and Financial Literacy. The Feeding 5000 Apprentice Program students ranged from age 15-17. Tow of the components of urban farming was teaching the students through Social and Educational approaches.

Feeding 5000 Social Approach included working with students and community volunteers to reinforce the importance of working together in the community towards the common goal of strengthening the community.

The Educational approach focused on training Urban Farmers quickly so that they could learn to grow good food for their own families. It included a rigorous hands-on education through daily work in the field, formal education sessions, field trips, and feedback sessions. The program was a success!

The Feeding 5000 Program consist of hands-on learning as well as classroom learning. Feeding 5,000 Inc. is a 501(c)3 organization that seeks to provide 5,000 families residing in Capitol Heights and nearby communities in Prince George's County with fresh, affordable, naturally grown food within the next five years. The best thing about this program is that they don't only teach you how to grow food in a garden, they teach individuals how to grow food at your home. WOW!!! Can't beat that deal!

Feeding 5000 Apprentice Program

Youtube.com – Check out a clip from the Apprentice Program with our youth: [Master apprentice Stephen Brown presents master apprentice Nile James at the zucchini awards](https://www.youtube.com/watch?v=ngjsA12RNZA) (see <https://www.youtube.com/watch?v=ngjsA12RNZA>)

Apprentice Stephen Brown on his experience with the program. Stephen states:

"It's a really good experience. It's not something I've done before so I'm taking as much from the experience as I can. It's a lot of work. Plants don't grow themselves. You have to have a good work ethic to do this type of job because you have to get up early in the morning. I like it and it's nice to help plants grow. Right now, I'm trimming dead leave so that plants don't waste energy. You don't want the plant to waste energy so that it can focus on producing the food."

<https://www.youtube.com/watch?v=xxNlgNbr5EY>

Apprentice Stephen Brown
Here's his experience

views • 3 months ago

Apprentice Nile James started out as a volunteer and soon joined Stephen Brown as a master apprentice. Nile explains his work and experience:

"I'm taking off the discolored branches because that's not good for the tomato plants. It takes nutrients from the main plant. I'm removing these so that it can grow. The best part of the programs is its fun and educational and growing the fruit and vegetables."

<https://www.youtube.com/watch?v=qwG0WMFnZQc>

EDUCATIONAL LESSONS:

Apprentice Stephen Brown and Nile James discussing financial literature and the importance of planning your future.

DID YOU KNOW?

December 19, 2018 presented a day in history at Suitland High School. Over 800 students received the HONOR ROLL during the first quarter of School. Of that number, approximately 79 students received a 4.0 or better. WOW!!!! Keep up the good work students. WE STAND BEHIND YOU!

79 students received a 4.0 or better. WOW!!!!

Keep up the good work students. WE STAND BEHIND YOU!!!

Congratulations – Suitland Teachers Of The Month

Brianna Booker, Psychology & Spanish Teacher not only brings a beautiful smile to her class but style, technique and passion when she teaches. Not too often today do you find a teacher that makes the students feel good as well as the Parents. Ms. Booker goes the extra mile to be sure the student is on track and keep up with all assignments. Thank you Ms. Booker, you are our Teacher of the Month.

Mr. Glenn Soltes, is an extraordinary Biology Teacher that cares about his students. Mr. Soltes, had to take on another load of students when a college retired this year. He took on the assignment with a huge smile and said NO PROBLEM! Mr. Soltes makes sure his students are on track and current with all assignments. GEE!!! We need more Teacher like Mr. Soltes. Thank you, our Teacher of the Month.

T. Ammazalorso (aka, Mr. A, as his students call him), is probably one of the most passionate History of America Teachers that I've met. Mr. gives students current history as well as past history so that students can partake and learn all History. He doesn't just want students to remember history today but know it for the future. Thank you Mr. A, our Teacher of the Month.

Sgt. Clemons is praised with our highest esteem. Not only is he the best ROTC Teacher but he follows his students on to college. He's prepared classes and trips to be students have what they need to make it to college and stay in college. His ROTC program has been merited on of the BEST around. St. Clemons has helped many students get into GREAT colleges, even when the students didn't think they would be accepted. He's created study programs for the ACT and SAT Tests and personally coached and counseled stuents to be the best that they can be. Sgt. Clemons, you are the BEST. Thank you, our Teacher of the Month.

Congratulations to two former graduates – DeMarco and Darren who received our Scholarship Award. Remember to give them your support in their endeavors. DeMarco and Darren are already making their mark in basketball. Be sure to catch one of their local games.
